

## CHUCK-A-PUCK RULES!

Dear Kids Club Parent,

Thank you for your participation in the Wendy's Colorado Eagles Kids Club. The Kids Club continues to grow tremendously and we wanted to remind you and your child about some important Chuck-A-Puck pick up rules. These rules are in place to keep your child and other children safe while on the ice.

**DON'T FORGET - THERE WILL BE NO CHUCK-A-PUCK PICK UP AT THE PRESEASON GAME(S).**

1. Check-in with an Eagles representative at the bottom of the stairs in the main lobby with:

**10 minutes left in the second period -**

**Late arrivals will not be allowed to participate.**

2. Wait patiently to enter the bench area (no running, hitting, kicking, etc...).
3. Do not crawl under the stands; there are many sharp edges under there.
4. Stay on the bench until all pucks are thrown and you are told by an Eagles representative that it is OK to enter the ice.
5. Do not throw pucks.
6. Do not run and/or slide on the ice.
7. Do not pick up pucks that are on the banners and do not put pucks in the center bucket, this ruins the game!
8. Do not hit or pull on Slapshot.
9. Each Kids Club member must have a signed waiver on file.
10. Adults accompanying small children or anyone requiring assistance must also have a signed waiver on file. Adults who wish to go onto the ice must also check-in at the bottom of the stairs in the main lobby. Waivers are available at the check-in area as well as online under "Fan Zone" / "Kids Club" at: [www.coloradoeagles.com](http://www.coloradoeagles.com)

Thank you for your cooperation in our effort to keep all of our Kids Club members happy and safe. Failure to follow these rules will result in your child being ineligible for future on-ice participation. If you have any questions or concerns please contact the front office at 686-SHOT (7468)
